# Walk to Prevent Homelessness!

Somerville is fortunate to have a wide range of high quality homelessness prevention and affordable housing services. One significant gap, however, remains access to quickly accessible cash grants for emergency situations. That is why the **Save Our Homes Walk Coalition** is holding our **17th Annual Save Our Homes Walk**.

Proceeds from the walk help those at risk of homelessness to secure housing by providing assistance with security deposits, rent arrearages, or moving costs. Unfortunately, we continue to see an increase in the numbers of people facing homelessness each year.

Last year the Walk raised over \$30,000. All funds were used to provide cash grants to families and individuals living in Somerville to help them avoid the devastation of homelessness. While we were able to help 51 households (with 134 people, including 48 children), many more applied. Help us raise \$40,000 this year!

The **Save Our Homes Walk** will cover 5 kilometers (3.1 miles) and will begin and end at Somerville City Hall. Our route will pass several landmarks that relate to affordable housing in Somerville.
